Craft Fair November 2021

Dear Crafters:

Thank you for your interest in our annual Craft Fair.

It is with hope and optimism, that we have begun the preliminary steps of planning the November 20, 2021 Craft Fair. Calls have been initiated to confirm the availability of the usual (school) location and the services we need to effectively run the event. Following our customary schedule, the Craft Fair will be held the Saturday before Thanksgiving which is November 20, 2021.

Our practice is to allow first priority of booth selection to returning crafter/exhibitors who apply to be in this year's show - in advance of reviewing new crafter applications.

The Craft Fair Committee will make the final determination to proceed with holding the event by June 1st. We will not begin to review new crafter applications until June 15th. We invite Crafters to submit application paperwork beginning on May 1, 2021.

To apply to our juried show and to request a booth space, download the 2021 Crafter Application Form from the website which is: www.rwc-craftfair.com and send the completed form with payment to P.O. Box 66, Ridgefield, CT 06877 as noted on the form. Your deposit will be held until our final decision to proceed has been determined, your application is juried, and you are accepted into the show. Note that we do have limits on numbers of Crafters in each category. Should your application not be accepted or if anything arises that causes RWC to cancel the show after that date, all monies collected will be returned.

Feel free to contact us if you have any questions or concerns.

Best,
