

Greetings crafters:

The Executive Committee of the Ridgefield Women's Club met in early June to reassess the status of the 2021 Craft Fair scheduled for Saturday, November 17.

The organization is ready to move forward with the Craft Fair however we have not yet received confirmation from the Board of Education to use the East Ridge Middle School facility. They are holding the date for us but until the BOE makes a final decision, we are at a bit of a stand still.

That being said, we are proceeding with the hope that we will receive permission, so for those crafters who have sent in an application and a check to reserve your space THANK YOU! We are still in possession of your checks and you should have received a confirmation from Lorraine Forrler, the Crafter Relations Chairperson. If you have not yet sent your application in, we encourage you to do so as soon as possible. The application is posted on the website www.rwc-craftfair.com.

We have had many inquiries from new crafters who would like to be included and we will be opening the application process to those crafters on June 15th.

As soon as we have confirmation from the Board of Education, we will be back in touch. Many thanks for your patience as we navigate this unusual situation.
